Specific Issues

Issue Description	Current Status (Open, Closed, I/P)	Disposition (Planned, Deferred, I/P)	Remediation Timeline	Available Workarounds	Comments
Some video content does not contain synchronized transcripts or closed captions.	Open				Currently, synchronized captions for the video content are typically not provided by our publishing partners. Our roadmap includes working with our publishing partners to improve content accessibility.
A number of full text articles are in PDF image format only (unreadable to screen readers) with no text-only equivalent.	Open				We encourage our publishing partners to supply properly marked up content. However, we typically do not alter content at this level. Our roadmap includes working with our publishing partners to improve content accessibility.
It is not possible to exit the Windows Media player software used for video using a keyboard.	Open				Work to address this issue will be part of the roadmap for migrating BSC to the ProQuest platform next year.
The default human language of each Web page has not been included in the html mark-up.	Open				Work to address this issue will be part of the roadmap for migrating BSC to the ProQuest platform next year.

Additional Information:

Black Studies Center is scheduled for migration to the ProQuest platform in 2017. Some of the accessibility issues which occur in the current interface will be addressed as part of this migration.
