Ciao Robert!

Yes for now I have attached the updated VPATs we have from 2018, however we should also have an even more up to date version available by the end of this year. I can't share specific details quite yet, but we will be releasing some exciting new updates in a few weeks, and once those are up and running we'll be updated the VPATs to include all the new features.

I'll make sure to keep you updated on the status of the new VPATs, but please let me know if any other questions come up.

Have a great weekend!  
Sabrina

Hi, Sabrina. We currently have on file Mango VPATs for Web, iOS and Android interfaces from January 2017. Are newer VPATS available?

Thanks.

**Subject:** Mango Languages renewal

Ciao!

Happy New Year! The library's Mango subscription is coming up for renewal on 2/1/19. To renew for another year, the rate is currently set at \$2,386.97.

Would you like us to have the invoice sent over at this time? We are still able to offer a discount for multi-year subscriptions that are paid upfront- I'd be happy to send over more info if you'd like.

Grazie,  
Sabrina
