Hey Robert,

Yes absolutely, there haven't been any changes to our terms so you are correct that your existing license agreement is still in effect. Attached you'll find our most recent VPATS, I was also able to confirm that we're shooting to have new VPATS issued sometime in Q2 of this year as we are hoping to wrap up our audit this quarter.

Let me know if there's anything else I can help with!

Best,
Sabrina

Hi, Sabrina. We are working on payment for Roane State's Mango renewal. I believe our existing license agreement is still in effect.

Can you help me obtain up-to-date VPATS for my review? This email from last year indicates that newer VPATs would be released along with the new interface but I don't find them available from the [Mango Accessibility page](#).
